WORK EXPERIENCE

GRAHAM & DODDSVILLE (Value Investing Education)

Full Stack Web Developer

Melbourne, Australia (Remote)

August 2025 – November 2025

- Architected and deployed a custom learning platform from scratch, reducing the client's dependency on third-party tools.
- Accelerated the development lifecycle by owning the full stack (frontend to backend), delivering the MVP 2 weeks ahead.

FREELANCE / INDEPENDENT (Multi-Brand Management)

Social Media Manager & Strategist

United States Market (Remote)

July 2020 – February 2025

- Scaled two Facebook pages, achieving 830,972 views in a single 28-day period (a 1,000% increase in organic reach)
- Drove 53,000+ engagements and successfully handled 613+ direct messaging conversations, converting inquiries into loyal followers.

UNIVERSITY PROJECTS

TRIKEGO – AI-POWERED TRANSPORT BOOKING PLATFORM

November 2025

Tech: JavaScript, Firebase, Leaflet API, Google Maps Platform

- Engineered a high-performance booking interface with a sub-second load time (98/100 Lighthouse score), directly resulting in a 40% increase in simulated user retention during beta testing.
- Integrated real-time geospatial mapping APIs to optimize routing, reducing average detour distance by 25% across 500+ simulated test trips.

HEART DISEASE PREDICTOR – E2E SYSTEM

January 2026

Tech: Python, Pandas, Scikit-Learn, Streamlit

- Developed a predictive machine learning pipeline achieving 92% diagnostic accuracy by training on 10,000+ records.
- Built a user-friendly interactive dashboard that allows non-technical medical staff to visualize patient risk profiles in real-time.

ACTIVITIES

CEBU SCHOOLS ATHELETIC FOUNDATION, INC.

Graphic Designer, Creative Team

Cebu City, Cebu

January 2025 – January 2026

- Design official game posters, headers, and social media content that capture the intensity of collegiate sports.
- Collaborate with marketing teams to produce real-time visual updates during high-stakes games, requiring speed & precision.

WILDCATS ESPORTS LEAGUE

Head of Creative Services

Cebu City, Cebu

May 2025 – February 2026

- Directed a 9-member creative team to execute full-scale event coverage, driving a 40% increase in audience reach.
- Partnered with Alliance Games to secure and integrate sponsorships from industry giants including Globe Telecom, Mountain Dew, Pocky, Bezel Monitors, and Fantech.
- Spearheaded the organization of a major tri-school Esports League involving Cebu Institute of Technology, University of San Carlos, and Southwestern College, uniting top collegiate talent across the city.
